

"Fizz"-ical Phenomena & Che-Mystery Science Camp

brought to you by
Mad Science of the Bay Area
and **Redwood City**

Have a ton of fun as we whip up potions and experiment with all kinds of chemical reactions, including growing our own crystals, making sidewalk chalk, and learning the science of chromatography on a Mad Science Lab Coat you get to keep!! Mix it up as we experiment with molecular madness, radical reactions, and "Fizz"-ical and chemical reactions. Discover what those crazy chemists are really up to in their laboratories! Bring a sack lunch and a snack. Wear clothes that can get dirty.
