or call 408-559-8553

Registration Opens Dec. 2nd

"Fizz"-ical Phenomena & Che-Mystery

Take a walk on the wild side in this crazy week of sleuth science. Have a ton of fun as we whip up potions and experiment with all kinds of chemical reactions, including growing our own crystals, making sidewalk chalk, and a chromatography lab coat to keep. Mix it up as we experiment with molecular madness, radical reactions and "fizz"-ical and chemical reactions. Discover what those crazy chemists are really up to in their laboratories. Then use everything you've learned to solve the Mad Science Mystery; even Sherlock couldn't figure this one out!

For more information, call:

408-559-8553

M-T 8:00 - 8:00
F 8:00 - 4:00
